

## MONTGOMERY GEM & MINERAL SOCIETY MINUTES

April 12<sup>th</sup>, 2007

The meeting was called to order by President Frank Rowell.

Minutes were approved as published in the Golden Nugget.

The Treasurer's report was read by Iris McGehee and filed with the secretary.

Frank stated that there were eight participants in the cross wire wrapping class March 24.

The rescheduled wire wrapping class will be held May 26, at Lowder Library on Bell Road. Jane Mobley will be instructor. Sign-up sheet is available.

The field trip to the Anniston Museum of Natural History is set for Saturday, May 12. Information and sign-up sheet available.

The workshop building will be open May 19. It is requested that those planning to go, call Harold Glover.

The Birmingham club's show at Tannehill will be June 2.

It has been brought to the attention that the large rock saw is in need of repair.

Randy Hirst stated that the website is getting a number of hits, but is difficult to get due to the old website.

Refreshments were provided by Linda Griebel and Mike Berkman.

The program was a video on Weird Rocks and Minerals. Randy Hirst brought samples from his collection.

After the program, the meeting was adjourned.
